LEAD/FOLLOW-THROUGH: Tristen BUDGET LINE ITEM: Petaluma Clubs

AMOUNT: Up to \$258

MOTION: SECOND:

Tristen is asking for funds to go to the museum, it will be a good opportunity educationally for them because it's all local history. They need money for food because it's a four or five hour trip so they want lunch. It's up to 258 because they aren't sure how many folks are coming. They have at least 11 confirmed. They budgeted for 12 dollars per person for food, 10 dollars car for gas, and three toll fees at \$21, and metered parking for four hours for three cars @\$2.50 per hour for four hours.

Per diem for lunch is \$15 so Deb suggests that they can ask for \$15 per person for lunch.

The students would benefit by learning about the history of their community (LGBTQ and the Bay Area in general). It's important and education to know your background. The field trip takes place on December 1st. There is a fee to get into the museum is \$4 per person and the club will be paying for that out of their own club funds.

Panella also got them a guided tour through the museum. The museum is located in the Castro. If they have time, they're also interested in doing a walking tour of the Castro with Panella as their informal guide.

Chair moves to vote, 5/5 in favor. Ratified at Petaluma Council meeting on 11/21/18.
