She also created a poster for the Sonoma County Student Film Festival (shown). The festival is coming up it's open to all Sonoma County students and you can enter any kind of film that you want. As long as it was made in the past two years. Kail also needs screeners (folks who watch the films and rate them, these folks would have to watch all of the film submissions. They usually get around thirty submissions (of short films) for the festival. The call for entries is open until March 4, they'll be screening on March 7. Kaila is looking for folks who aren't necessarily familiar with film to provide an outside perspective. On April 5 they will also need volunteers for the actual event.</p>

Welcome back everyone!
Complements to Toni on finishing the planner, they're available in the CyBear Center South for \$10. We're also taking submissions for Fall 2019 events and ad updates. They want to publish soon so it can be given to all of the new students. It's a great tool so love it, use it, enjoy it.

Volunteer Opportunities: We have the SCSFF and they will also be coming to request funds for their reception. The Festival will be on April 5. Kaila will be the Student Director once again. The position will be open next year if anyone wants to help this year to see where it will go next.

We sold out of SMART Train passes again and will have 10 new passes as of Monday of next week. If you know of any students who would like to take the train, please let them know we'll be back in business with passes on Monday. The passes are \$260, a regular citizen would pay \$800 for the equivalent pass and a student would pay \$400 so it is your transportation dollars at work allowing us to give this deep discount.

<p>Advisor: Toni Bacigalupa</p>	<p>Don't forget Last days to get 10% off textbooks with CubCard Premium are today and tomorrow!</p> <p>Remember: No class Monday/Tuesday! Enjoy the long weekend.</p> <p>Spring 2019 Planners are here and loaded up with events! They are \$10 in the CyBear Center or \$6 for the year planner with no events ☹</p> <p>TAKE THE BREAD! (And the pears)</p> <p>We are now helping students prescreen and enroll in CalFresh! This is a great program that gives students free cash 4 food in the form of a debit card. The money does roll over each month and students who are eligible for CalFresh get on average \$150 dollars a month. I'd like to have all of you complete the prescreening process at least, if you're interested, stop by the food pantry at some point and my students can help you out with that.</p>
