V. Information Items (Reports, Discussion & Communications from the Floor):

(DNM: Due Next Meeting, Standing: Standing Goal, ASAP: Urgent Goal, !: Late)

Officer/Club Name	Report
VP of Clubs: Vacant	
VP of Student Life: Meea McMath	Meea reached out to the clubs about the Mental Health Awareness Day coming up at the end of this month. Meea would like to confirm who wants to be part of that. It will be the last week of November, most likely that Monday. Our House, Student Success Team, Student Health Services, possibly the therapy dogs and the clubs are who we would like to have join the event. There will be rock painting and creating mindfulness jars. The event will be located in Call Hall, they're planning on using the lobby area on the first and second floors. Meea wants to finalize who will be there so we can request the tables and chairs. The activities will also have baskets with items like healthy snacks, notepads, tea, essential oils, etc
VP of Marketing: Livier De La Torre	<p>Liv went to a student housing luncheon last week and one of the big topics was priority for getting housing. One idea was priority based on how many units students are currently taking, another idea was to use the priority status of students to go with their priority for claiming house. No decisions have been made but that is where the discussion is currently at.</p> <p>Another discussion they're having right now is what they want the housing to look like (focused on transfers, all students, dorms, etc.) Liv would like to know what ideas folks have around priority.</p>
Petaluma Communications Club : Jacqueline Brevik	They're looking forward to the Mental Health Awareness event. They're waiting to finalize their plans.
Petaluma Queer Student Union: Abigail Harrod	Next week Panella will be doing a talk on Trans Day of Remembrance and why we have it and why we talk about it. They're also preparing for Happy Holigays. Big turnout today and they talked about the largest free LGBTQ Youth conference is in LA in the Fall every year and they're trying to plan a trip to that conference for the club next October.
NSLS (National Society of Leadership and Success): Celina Ventanilla	They have a rebroadcast scheduled for this Friday at 1:00pm. Celina will be watching the Jim Kwik broadcast. Still working on rescheduling the events that were canceled due to the fire.
Black and Brown Union: Walter Isaac	Absent.
Baha'i Club: Ken Beck	They've been thinking about Mental Health Awareness Day and how they want to participate. They have folks who can help on Monday, but less likely they can help on Tuesday/Wednesday.
Petaluma Games Club: Brandon Repp	They're looking at going to the Mental Health Awareness Day, they're also deciding on whether or not gaming makes sense for the topic. They're looking at doing a thank you card for the Petaluma Fire Department and they want to have an idea for the card next week and they'd love to pass it around to all of the club meetings if they want to sign it as well.
Petaluma Puente Club: Martin Solorio	They talked about the Mental Health Awareness Day and are thinking about attending but it depends on timing. Puentistas have class on Monday during the times that Meea is looking at.
Student Ambassador Club: Stefanie Ritz	Absent.

Advisor: Deborah Ziccone	<p>There was an update today on legislation that will affect us on the local level. There was a proposal that the Student Rep fee be raised to two dollars rather than \$1. The second dollar would go to the statewide student government association to promote involvement with the statewide student government association.</p> <p>The timeline is very clear on when the timeline will be completed but the occupation date is much later. That includes building 400, moving food services back into the main building is looking like it will happen later in the spring semester. The building will be completed in January but the transition back into will happen later. We have requested to have the temporary dining commons and food service continue in the Spring semester. Building 500 completion date is September 2020, and again moving back in will happen later in the Fall semester with a projected opening in Spring 2021.</p>
Advisor: Toni Bacigalupa Albaum	<p>The Mario Kart esports tournament was re-scheduled for this week so it will be happening on Thursday.</p> <p>Don't forget to send me your events for next semester!</p>

VI. Old Business:

VII. Special Report

a. Meea Mcmath and Livier De La Torre- Mental Health on Campus

With midterms, the Santa Rosa lockdown, and the fires, a lot of students are feeling really drained. The rock painting and mental health jars are both activities that they're planning on having at the mental health day. Liv explains more in detail about what mental health jars are. Celina suggests origami or "wishing stars," or "cootie catchers" with affirmations written on them.

Celina motions to extend the meeting by 15 minutes, Jacqueline seconds.

VIII. New Business:

a. A motion may come forward to fund \$90 dollars for food and drinks towards Games Club

Fund Amount: \$90

Lead: Brandon Repp

Budget Line: Petaluma Clubs Account

This is for the upcoming Throwdown Thursday Game Night, and maybe for the next one. They asked for ninety because they were expecting to have the event on Halloween. Last time they almost ran out of pizza so they might get another pizza this time around. Abby moves to go into a vote, Celina seconds. Motion carries.

Adjournment:
