Meea is planning to create a Mental Health Day sometime during the last week of November so folks can distress during the time that college apps are due, finals are coming up, if you have any ideas about this, please talk to Meea after the meeting. She'd love to see Student Services there as well as the clubs, please invite your club members and let your friends know. <b>Petaluma Communications Club : Jacqueline Brevik</b>	They are doing some regrouping post fires. They're doing some long term strategizing and deciding what they want their next meeting to look like.
<b>Petaluma Queer Student Union: Abigail Harrod</b>	They had a meeting today, Abby brought lots of food. There wasn't a big turn out – peoplewise. Last week Panella and Stover did an unofficial meetup at the MOMA, so a full car of QSU students went to the MOMA on Halloween. Folks were tired and had been evacuated and were very affected by the fire so Abby is trying to be supportive and come up with fun activities. They aren't planning anything for the rest of the year, Panella will do a talk for the Transgender Day of Remembrance on the 20 <sup>th</sup> . They'll end the year with the Happy Hologays event on the Santa Rosa campus.
<b>NSLS (National Society of Leadership and Success): Celina Ventanilla</b>	The Napa relay race was cancelled because the run was going through the fire zone. Celina is going to try to figure out a new fundraising plan and might do some dine and donates at Yogurtland here in Petaluma. The last live broadcast is later today, it's at 4pm in PC 641. Today's speaker is Tiki Barber who was on the New York Giants. Afterwards they'll do an SNT meeting.
<b>Black and Brown Union: Walter Isaac</b>	Walter is going to check back in with the co-president and see what's going on. They might try to end the year with a large event and get back into the flow of things. The BSU is holding a dance this Friday on the SSU campus. The event is co-hosted by the BSUs on both campuses.
<b>Baha'i Club: Ken Beck</b>	A few of the Bahai Club events were cancelled last week.
<b>Petaluma Games Club: Brandon Repp</b>	Lots of Games Clubs folks were impacted by the fires but they'll be back to playing games this week.
<b>Petaluma Puente Club: <del>Martin Solerio</del> Karen Chavez</b>	Lots of members evacuated so they're trying to regroup. They'll have a gathering on Monday to reconnect with their community.
<b>Student Ambassador Club: Stefanie Ritz</b>	No report.
<b>Advisor: Deborah Ziccone</b>	Welcome back everyone, it's good to be back. We have lots of resources on campus available for students post-fire. We had a town hall meeting yesterday, it's available on the SRJC Petaluma facebook stream if you want to go back and watch it. The students from the Our House Learning Community went on stage to share. The Roaring 20s Dance will be on November 23, it's going to be a great event so please tell your club members and come on out!

**Advisor: Toni Bacigalupa  
Albaum**

Last week's Mario Kart Tournament was canceled, I will work with the Games Club to reschedule. Spring Schedule of Classes will come out tomorrow ☺ log into your cubby to check your priority and figure out your classes!

## VI. Old Business:

## VII. Special Report

- a. **Deborah Ziccone reporting on the recent fires in Sonoma County.**  
**We head Eleanor Ratcliff present at the town hall yesterday and was able to share lots of insightful information on the fire. From the County Incident Report: As of November 4, 80% contained. They predicted full containment by November 7<sup>th</sup> and expect that to still be true. Everyone respecting the request for evacuation meant that the fire fighters were able to focus on the fire. This was very different from 2017 because we had so much lead time and people were quick to evacuate when required. Deb brought the incident report for folks to look at.**
- b. **There were no deaths from this fire, only four injuries. Petaluma served as a safe haven from the 2017 fire as well as this fire. The Student Success Team and Student Ambassadors are able to provide support for folks as they come back. There has been a lot of concern about the demands of coursework. Reach out to your instructor if you're concerned about the work load as you finish out the semester.**
- c. **Abby mentions that Panella was very communicative with his students giving them information about trauma responses, coping mechanism, and links to various resources. Has also been reassuring them to don't worry about coursework, and then did an in-class check in and worked together to re-vamp the syllabus to make the rest of the semester do-able.**
- d. **Ken mentions that you can often call your service providers for a credit back if you lost services during the power outages. Redwood Credit Union was reversing ATM fees for any ATMs that were not in-network.**

## VIII. New Business:

- a. **A motion may come forward to fund \$90 dollars for food and drinks towards Games Club**

**Fund Amount: \$90**

**Lead: Brandon Repp**

**Budget Line: Petaluma Clubs Account**

- b. **A motion may come forward to bring forward ideas for the "Know Your Rights" event in November.**

**Leads: Livier De La Torre, Meea McMath**

**Motion: Second:**

## IX. Discussion

**Adjournment: 3:47pm**
