**Motion:**

**Second:**

**The Petaluma Student Life budget line is restricted funds. So I pulled this up so we could chat about alternate funding sources.**

**Looking at where we could split the funds from. There is also discussion around being aware that We The Future Social Justice Conference will be asking for money in the near future as well.**

**Deb recommends spending the money that expires first so we are spending less time transferring money back and forth between accounts.**

**Kaila moves to approve the item as stated, Max seconds.**

## **VIII. Discussion:**

### **A. Reviewing colors for the new student center.**

**Toni is displaying different options for carpets and paint colors. Including different designs and colors for the think rooms. The idea is for the carpet to mat the walls. There will be 4 think rooms. There will also be 2 phone booths. Meeting has been extended by 5 minutes motioned by Max second by Edward. Walter thinks that we should stick to the school colors and use the red with the blue trips. Ken thinks that haing bright red is too bright .Ken likes the idea of having different colored rooms so students can go to the red room or orange room for example. Kaila sees Walter’s point of view, but prefers the turquoise or orange colored carpets. Db says that the accent wwalls are neutral, but you can choose one acent wall. Rosa likes the grey patterns with the blue stripe. We want something to add color but not be too in your ace. Meeting is extended for 5 more minutes. Max motions, Audrey seconds. The majority of the group likes the tan with turquoise for one o the think rooms. More discussion will be brought forward next meeting.**
