This is something that was discussed at the larger SGA meeting. They're asking for \$250, it's for an event that is happening on the Santa Rosa Campus and will be providing an opportunity to support a cultural event. It would come from the Petaluma Student Life Budget line. This goes to some of the performers and an artist. Hilleary Zarate requested \$1000 from SGA and each member wanted to divide the money so it came from various budget lines. The Student Life Committee and Marketing Committee gave \$250 each to bring the total to \$500. Celina moves to approve the motion, Abby seconds. 8/8 motion carries.

B. A motion may come forward to approve funds for National Society of Leadership and Success' (NSLS) Leadership Training Day event.

Celina wants to provide food for Friday, it's a longer event and she wants to feed the students who show up because it's right after lunch and it's a long event. She doesn't plan to use the full \$200, which was just to be safe. She's thinking of buying Costco pizzas, maybe some salads and some drinks. This is a step to induction for new members so it's a mandatory exercise. The training consists of learning about communication styles and understanding your strengths, how to use your strengths and build other. There are a lot of identity development exercises and can take up to three hours. 8/8 motion carries.
