Chat with Live, Meea, or Delashay if you want to know more about what it's like to be an SGA member! ## VI. New Business:

## VII. Discussion Items

### a. Measure H Update

- a. Thanks for all of your comments! Please add more post-its to the boards in PC 602. The textiles have been selected, the furniture and fixtures have not been chosen. This is the month of research for furniture, fixtures, and equipment so orders can be placed, please bring us your feedback for those areas! We've been working hard on making sure we could have enough outlets and we're making sure we get the correct permits for all of you. We're hoping to be in the dining commons space by the end of March so we can use it for events. The kitchen won't be up and running yet but we would at least be able to have the space for events for the SCSFF reception, the We The Future Conference lunch, and the End of the Year Awards Night.

### b. Special Report from Liv and Meea on upcoming events.

- a. The SGA folks met today to discuss all of the events they want to put on. They will be doing Music in the Plaza every Wednesday, if you want to table during this time, please let Liv know a week ahead of time so she can get you a table. First Music in the Plaza will be next week. If folks want to perform please let Liv know three weeks in advance to allow for time for paperwork. 12:00pm – 3:00pm.
- b. Know Your Rights Day: March 3 (Super Tuesday) they'll have a mock election with the presidential options, they will also have pizza and vegan options and a free speech ball so folks can write whatever they want to promote free speech and raise awareness for free speech. They'll be handing out pocket constitutions and voter guides will be available for folks to look through. If clubs want to table, that's fine, it would be preferable if you geared your table towards informing students about elections and voting.
- c. Club Days! There will be an attempt to have a monthly club day with tabling opportunities. It would be great to have every club at the club days.
- d. Mindfulness Mondays: Meea is hoping to create a weekly program around mindfulness on campus and raise awareness for the current mindfulness practices happening around campus.
- e. Brandon from the Student Ambassadors club will also be looking at organizing movie nights to happen this semester.

Celina moves to extend the meeting by 10 minutes, Liv seconds.
