

SRJC PETALUMA

EDUCATION MASTER PLAN

Mission

SRJC Petaluma provides our students and community with transformative educational experiences through engagement and collaboration.

Vision

SRJC Petaluma aspires to be a comprehensive liberal arts and sciences college of choice that evolves in response to our community's needs and enriches, enlightens, and empowers students in preparation for their future.

Values

We value a college community that is

- Inclusive, diverse, and culturally responsive
- Sustainable in economic, social, and environmental realms
- Welcoming and proactive in meeting our community's needs
- Inspired by interdisciplinary collaboration and exploration
- Innovative, flexible, and creative

Goals

- Build a destination campus by (a) offering a full complement of majors and transfer preparation courses and (b) increasing Career Technical Education offerings unique to the campus, which are tied to transfer degrees and economic growth trends.
- Increase new student enrollment by establishing strong bridges with K-12 partners and community organizations, thereby solidifying the pipeline to SRJC Petaluma.
- Increase student persistence and completion, particularly of disproportionately impacted populations, by providing robust, integrated student support and instructional services that welcomes, guides, and engages students.
- Integrate SRJC Petaluma into our local community so that they know who we are, where we are, and what we have to offer.
