- Delashay is the newly appointed VP of finance of SGA. She’s gonna pop in to be of our service & to show support & love for Petaluma. Hopefully next week we’ll have another club coming to the Petaluma Council. This club is an amalgamation of different clubs on campus. As a co-president of BSU we are having a rally downtown in Santa Rosa at the square, we’d love to have your support! It starts at 5pm to 8pm. Saturday is also the Nationwide march on Washington. Masks are A MUST!!!!
- Zack says the college wants to be sure that our content is very accessible to all of our students. Screen readers cannot read tables very well, so let's try to eliminate the use of tables on our documents.

IV. Club Activation & Deactivation and Petaluma Council member Appointments & Removal:

At this time the Petaluma Council may Activate or Deactivate Petaluma Clubs or remove and/or appoint new members. When possible, such activations and deactivations shall be agendized before the Petaluma Council meeting.

- A. A motion may come forward to activate the Baha’i Club. Celina moves to activate the Baha’i club & Jordan seconds the motion. The Baha’i club is about the principles of its faith, including the oneness of humankind, elimination of prejudice, equality, justice, all religions come from the same source, are all the same religions revealed at different times, that science and religion should be in agreement, there should be world peace. We believe this is what God wants for humanity right now. The Baha’i club promotes these kinds of principles. No questions.
