- Vice President of Clubs, PC:
- Vice President of Student Life, PC: Thank you for everyone who came to the Monday SGA meeting to see Toni. She said it was rough moving there, but she's doing good and having fun! Ken gave the idea of having our own club day here for Petaluma clubs in October or November. Brenda Flyswithhawks will come to present to the council on Oct. 7th.
- Vice President of Marketing, PC:
- Queer Student Union:
- Petaluma National Society of Leadership and Success: We had our first bi-weekly meeting with advisors and chapter support manager, and we might have to push back our calendar a bit. There are training videos we need to watch. I have not posted the calendar yet. We have a new EBoard member, Denise Garcia who will be our treasurer.
- Baha'i Club: We've updated our description on the clubs webpage. We are still having our meetings Fridays at 4pm. We'll be talking more about the race unity event. At all of our meetings we have prayers and discussion on the oneness of humankind, etc.
- Petaluma Games Club:
- Petaluma Puente: We just formed the club today.
- Advisor, Deborah Ziccone: Thank you for jumping in Puente! It's been a good week, it was great to see Toni. There was positive support from SGA. Toni gave a presentation on her position and there were no questions. Opportunity to sit on a hiring committee for students. It is one of the very best experiences you can get as a student. It is possible there could be appointments to that committee as of next Monday. It is scheduled around your own schedule and it is all remote. You are a voting member. Working with a career hub, there is a training on interviews tomorrow, 9/17 on zoom 5-6pm Zoom: 98426337766. Zack Miranda: SGA is still working on getting all of their seats filled. This last Monday we got a report from the textbook committee on remote resources for students. If you are interested in that it's a great committee to be a part of, looking for 2 students. Started a series of reports from student trustee members, and we will be continuing with the series each week in SGA. It's a great time to ask them questions.
