

Dean's Campus Impact & Beyond Award Application

This award recognizes students who have made an outstanding contribution to campus life by actively participating or leading projects, creative performances, or planning large-scale events. Funding is available for student projects at the discretion of the Petaluma Council. Students must return this form to the Student Life Office in PC 607 by April 30. Students returning forms after this date will be recognized at the awards banquet during the following year. Up to (5) students will be awarded the Dean's Global Impact Leadership Award each year.

REQUIREMENTS:

1. The award recipient must be enrolled as a Santa Rosa Junior College student during the times that community service was performed. Summer community service will be counted if the student is enrolled in summer classes OR was enrolled in the preceding Spring semester OR the following Fall semester.
2. Students must work with an on-campus mentor – faculty or staff member -- to create their project.
